

The Maple Island Thrift Shop came about in 1992 because a small group of caring residents wanted to make a difference in their community.

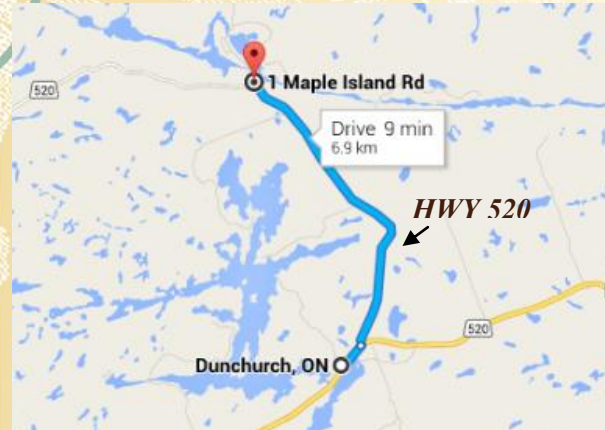

Dedicated volunteers renovated the original building and today we have two floors to display all the donated merchandise.

Your donations of new or gently used clothing, small furniture, household goods, and books has ensured the success of the store, where we turn your donations into funding for our community.

Drop in to browse, shop or to drop off your donations ... All donations and purchases are greatly appreciated!

Location and Contacts

Telephone 705-389-2350

About the Thrift Shop

- We recycle gently used clothing, household goods and small furniture. If you are moving to the area or are downsizing, feel free to give us a call to discuss donations.
- Silent auction in shop.
- All monies donated back to the community.
- The shop is maintained strictly through volunteer support and labour. New volunteers are always welcome!
- Thank you for your support!

*We wish to thank the
Municipality of Whitestone
Council for their support!*
