

# Your Emergency Plan!

By definition, emergencies happen when we don't expect them, and often when families are not together. Suddenly, you need to think about your kids at school or elderly parents across town. If phones don't work, or some neighbourhoods aren't accessible, what will you do?

Having a family emergency plan will save time and make real situations less stressful.

## Make An Emergency Plan!

Take 20 minutes and [make your family emergency plan online](#). You can then print it out.

If you prefer not to create your plan online, you can download ["Your Emergency Preparedness Guide"](#) and fill it out in pen.
